Three Groups Take Spring Study Tours

During April three groups from Mount Gilead High School took extended field trips. Theater students went to New York City, Spanish students went to Spain, and French students traveled to French Canada. The week before Easter a group of theater students traveled to New York City with a group of students from Cincinnati. The group flew from Columbus International and were treated to a panoramic view of New York City as they landed at La Guardia Airport. Among the theater productions the group attended were "Sophisticated Lady", "Dream Girls", and "Mass Appeal". Other activities were a tour of Greenwich Village and shopping on Fifth Avenue.

On April 9th a group of 14 Spanish students and advisors left Columbus International Airport for a 9 day tour of Spain. While in Spain the group visited El Prado Museum which houses the exhibit of works of the Spanish painter El Greco, El Escorial Monastery, and the Valley of the Fallen which is a national monument dedicated to the dead of the Spanish Civil War. In the city of Toledo, which has been a center of sword making for a thousand years, students toured a sword making factory. The girls of the group enjoyed their visits to Retiro Park in Madrid which famous for its sun tans. One of the most unforgettable events of the trip was

attending the opening night of the bullfighting season. At their going-away dinner the group was serenaded by the Spanish musical group "La Tuna".

French Club's trip to Canada began on Monday morning after Easter. Fourteen students and advisors traveled by school bus to Windsor, Ontario. From Windsor the group traveled on VIA Rail Canada and arrived in Montreal on Monday evening. Tuesday morning was spent visiting the underground shopping complex in downtown Montreal. In the afternoon students took a Gray Line Tour which featured stops at Notre Dame Cathedral, the Olympic Center, the Montreal Botanical Gardens, and St. Joseph's Oratory. On Wednesday morning the group left Montreal for Quebec City. Among the activities in Quebec, students visited the old-walled part of the city, went to St. Foy shopping mall, ate fresh-baked bread at the outdoor ovens, visited a wood carver's shop, and toured the Cathedral of St. Anne de Beaupre. The Highlight of the trip for many of the group came on their last evening in Quebec City. The club ate at the L'Astral, a revolving restaurant, located on the twenty-seventh floor of the Lowe's Le Concorde Hotel. Both the view of the city and the food were magnificent.

Four Mt. Gilead Teams Are M.O.C. Champs

During the 1981-82 school year, four Mount Gilead athletic teams won Mid-Ohio Conference championships. The cross country team took the first championship in the fall of 1981. The Mount Gilead boys' and girls' track teams and the baseball team dominated the MOC spring sports' schedule. The boys' track team went undefeated during the regular season and the baseball team dropped only one conference game. Each of these championships was won by total team effort and indicates the depth of strength the Indians have in these sports.

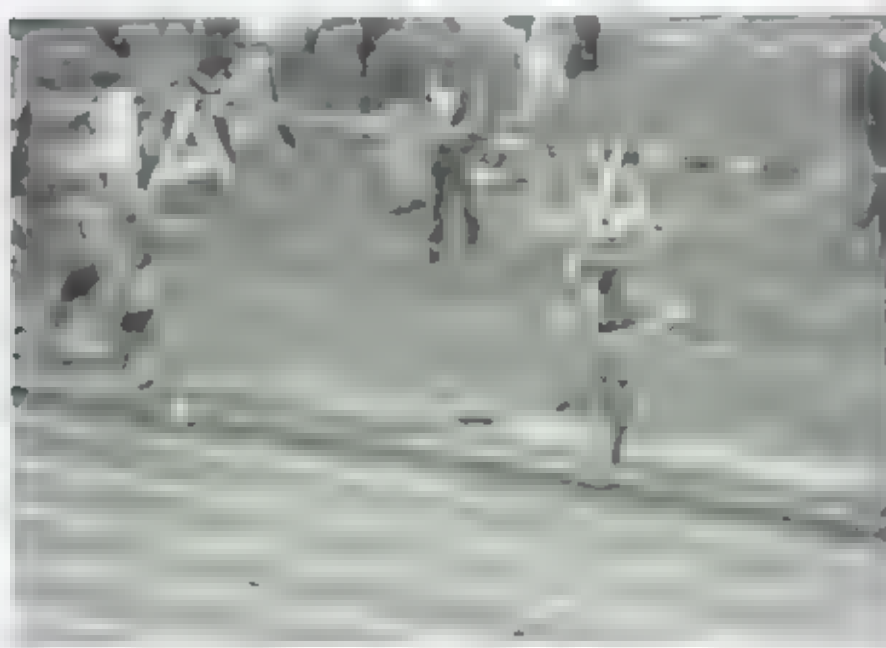

Rob Andrews heads for the finish line in the district cross country meet at Pine Hills Golf Course where placed third.

Jon Collins leads in the 110 meter high hurdles as he takes first place in the MOC.

In a close finish Kim Smith finishes fifth in the 100 meter dash in the state prelims.

In the mile run finals in the state meet, Dan Campbell runs a fine race and places ninth in the state.

Renee Corral hands off to Natalie Maceyko as the Indian girls' two-mile relay team places first in the MOC.

Paul Sheets goes up to clear the bar at 12 feet.

Paul Middaugh runs a leg of the two mile relay.

Jim Curtis makes his throw of the discus at the MOC meet.

Rick Van Houten delivers his pitch. Rick's 8-1 pitching record helped the Indians win the MOC crown.

Jerry Ashbrook and Artie Miller celebrate in the dugout after Mike Curtis' three-run homer wrapped up the MOC.

After defeating Fredericktown the Indians are number 1.

Kevin Clark scores during the sixth inning rally in which the Indians broke the game open by scoring seven runs.

French Club Features Cultural Activities

Dan Campbell, Rod Thill, and Jim Shaffer dig into the main course of the French dinner they helped prepare.

Angie Bush and Jenny Wertz look over the gift selections in a wood carvers shop near Quebec City.

Most of French Club's activities are aimed at improving its member's knowledge of French culture. This year members of the club enjoyed the cultural experience of French cooking. In January French students prepared a six course French meal with the help of Mrs. Mary Van Horn. Later in the spring club members held a crepe party featuring apple, raspberry, and chicken crepes. During spring break club members spent the week on a field trip to Montreal and Quebec City. Experiencing French Canadian culture first hand was the most exciting event of the year.

Spanish Club Sponsors Trip To Spain

Spanish Club's major undertaking for the 1981-82 school year was to sponsor a trip to Spain. To help members finance the trip, the club sold pizzas, held a chili supper before a ball game, and raffled off several Christmas pinatas. On April ninth a group of about a dozen club members left Columbus by plane for Spain. Other activities of the club included putting on a program in Spanish for elementary students.

We all survived! The group await a plane flight out of the New York airport.

Students celebrate Christmas like the Mexicans. Gina Fuller breaks the traditional Christmas pinata.

What a way to get to Spain! Students earn their way through pizza and sub sales.

Busy is just one word to describe the Mount Gilead FHA/HERO chapter. Besides participating in many county, district, and regional rallies, the chapter initiated new members, manned Bernard St. Bernard in support of good mental health, and sponsored the Valentine's Day Dance. With the help of Kuntry Knits, the chapter held a style show which featured clothing made by chapter members. Other club activities included serving the athletic and FFA banquets, having a rock-a-thon to benefit Children's Hospital, and attending the state convention. In recognition of National FHA/HERO Week the chapter baked cakes for the faculty and administration, went to Whetstone School and helped work on their Winter Carnival, fixed breakfast for the high school staff, sold secret messages, and raffled off Valentine's candy. At the year-end recognition banquet members were recognized for degree achievement and outstanding work. New officers were installed and chapter parents, Mr. and Mrs. Kenneth Bush and Mr. and Mrs. Lowell Chilcote, were presented with certificates and flowers. Brenda Chilcote was introduced as the 1981-82 Honorary Member. At the state convention the chapter received the Award of Merit for its outstanding year's work.

F.F.A Members Attend National Convention

Members of the Mount Gilead Future Farmers of America were involved in many activities during the year. They went to the National FFA Convention held in Kansas City, sold citrus fruit and cut wood as money-making projects, and fielded a very successful basketball team under the coaching of Bob Snyder. Mount Gilead's soil and livestock judging teams placed well in contests held in various parts of the state. Chapter officers attended district officer training sessions at Tri-Rivers. Several members competed in county and district public speaking contests. Eric Bush and Michele McKinney were members of the State FFA Band and Tracy Schindley and Sharon Shoaf added their voices to the State FFA Chorus. In recognition of National Agriculture Day, the FFA along with members of the community put on a program promoting agriculture for the elementary schools. At the annual FFA Banquet held on March 25, 1982, the chapter crowned Kim Smith as FFA Queen, handed out numerous awards, and reviewed the year's activities for parents and guests.

Cross Country Team Wins MOC Championship

Dan Campbell and Paul Middaugh are shown running through the morning haze in the District Cross Country meet at Pine Hills.

Mount Gilead's cross country team finished its season with an outstanding 56-2 record in dual and multiple meets. The team was undefeated in dual and triangular meets. The Indians won the MOC championship at the Table Rock Golf Course near Centerburg by edging runner-up Northmor 38 to 41. Paul Sheets took individual honors with a time of 14:56 for the 2½ miles. Paul's teammate Dan Campbell was leading at the two mile mark but missed a course marker and finished sixth. The Indians represented the Mid-Ohio Conference in district competition. At the sectional meet at Pine Hills Golf Course, Mount Gilead placed second to move on the district. Dan Campbell took individual honors with a 12:33 time. As a team the Indians placed fourth in the district and missed the cut-off for the state meet. Individually, Dan Campbell finished fifth and Paul Sheets was eighth which qualified them for the state meet. In the State Meet Dan was 14th with a time of 12:46 and Paul was 30th at 13:01. The Indians outstanding season record was the result of total team effort. Bob Andrews, Scott Strayer, Nathan Harvey, Dan Baer, Chris Conaway, Jeff Clark, Paul Middaugh, and Tim Cook consistently turned in good times to give the Indians almost unbeatable team depth.

Special awards were given to several members of the team. Shown with their awards are Bob Andrews - Scholar Award, Dan Campbell - Outstanding Runner Award and State Finalist, Paul Sheets - State Finalist, and Rod Thill - Scholar Award. Tim Cook the Outstanding Reserve Runner is not pictured.

Cheerleading Squads Have A Busy Season

The varsity and reserve football and basketball squads have been busy this year planning pep rallies, decorating the players' lockers, and also decorating the school with spirit signs and posters. To increase school and community spirit, the cheerleaders sponsored bonfire pep rallies, parades, and car caravans. For homecoming they featured a spirit week to get the student body psyched up for the big game. To end the football season, the cheerleaders presented the players with Senior cakes and scrapbook that was kept of events during the season.

Curtis And Clark Named To Conference Team

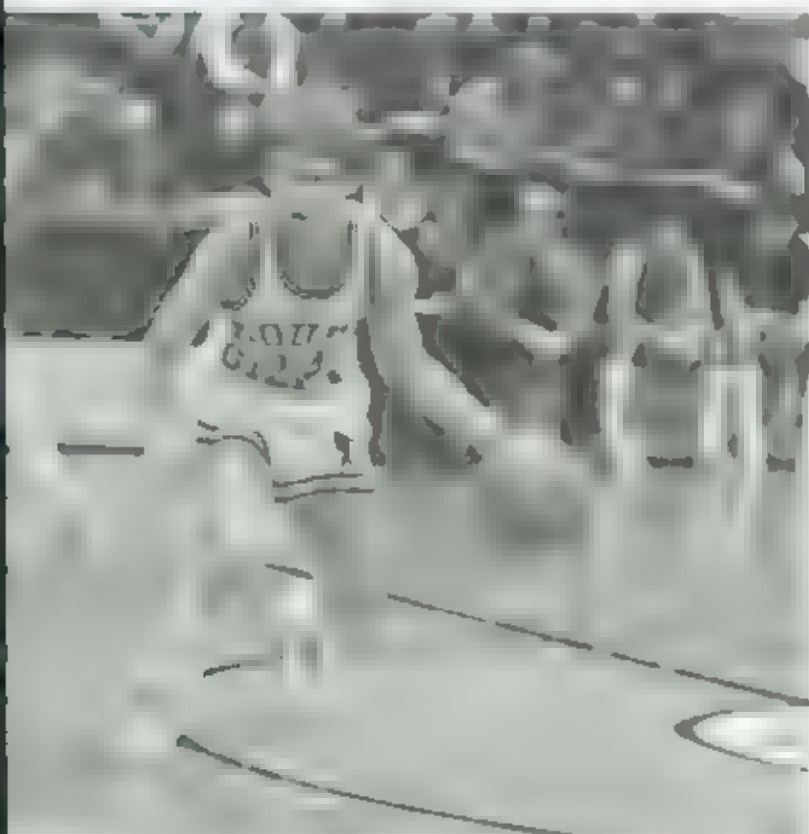

Mount Gilead's basketball teams and fans had little to cheer about during the current season as the Indians finished in the league cellar. Inconsistent play plagued the Indians throughout the season. The varsity club compiled a 7-13 regular season record before dropping their first tournament game to Buckeye Valley in a hard fought 33-31 contest. The Indian reserves' season record was 3-17. Mike Curtis was named to the MOC All-League team and Kevin Clark received honorable mention.

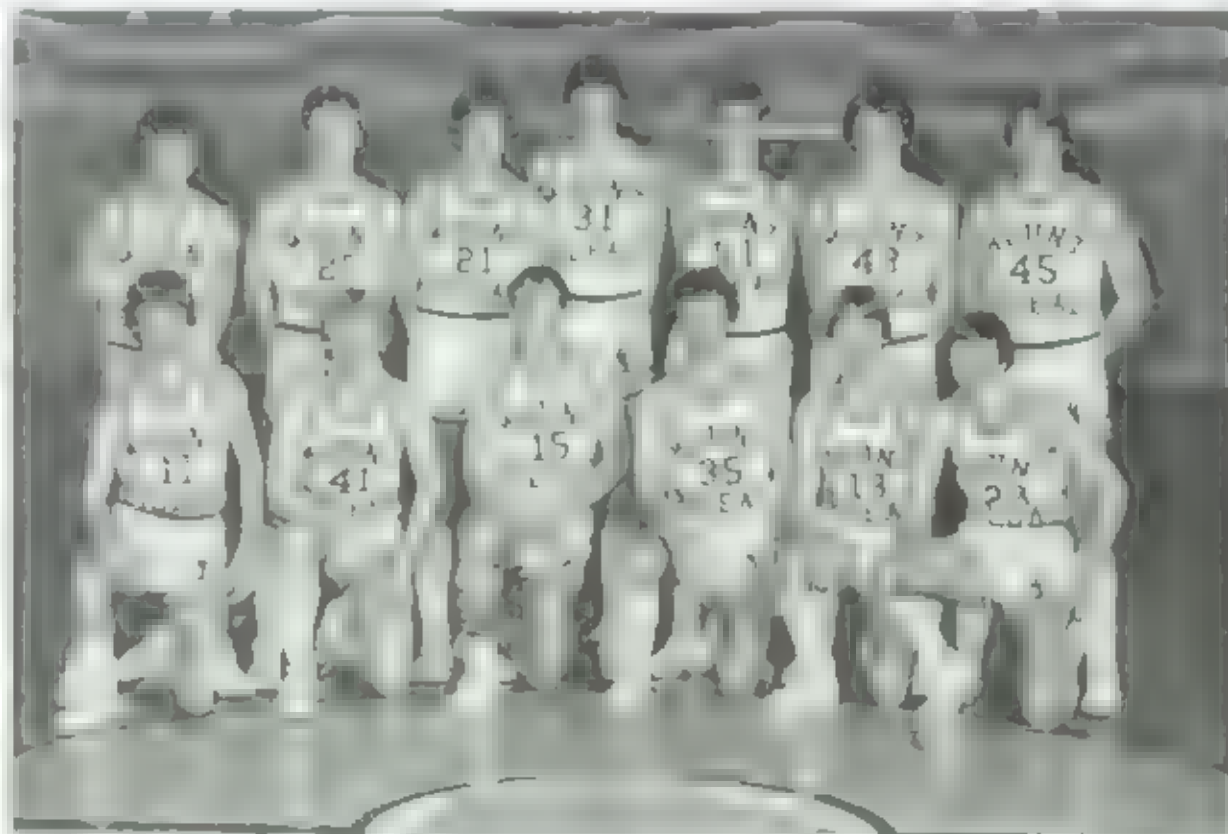

Players receiving recognition at the winter sports' banquet were Kevin Clark - the season's most valuable player, Mark Willeke - the season's best defensive player, Rick Van Houten - the season's best free throw shot, and Nathan Long - the winner of the Leadership Award.

Girls' Basketball Team Has A 7-14 Record

The Mount Gilead Girls' varsity basketball team completed the regular season with a record of seven wins and thirteen losses. In their first tournament game the Indians lost to Buckeye Valley. With only two seniors and two juniors on the team, the girls have a very young team. The Indians were very competitive and lost five games by less than ten points. Senior Gerry Zwick and junior Sue Willeke received recognition as Mid-Ohio Conference honorable mention. Gerry was also selected to play in the Ashland All-Star game. The reserve team finished the season with a 5-14 record. The prospects for the future look favorable as there are more younger girls participating in the lower grades than in previous years. This should help build a solid foundation for future success in the girls' basketball program.

Indians Win M.O.C. Baseball Championship

The varsity baseball team had a very good year in 1982. The team finished the season with an excellent 17-4 record over-all and an even more impressive mark of 11-1 in conference games. The 11-1 record in conference games gave the Indians sole claim to the league championship. This was the first time since 1976 that Mount Gilead had won the MOC and the first time since 1970 that the Indians have won the title outright. Five players batted over the .300 mark during the season with Rick Van Houten hitting at .466. First baseman Nathan Long had the best fielding average with a .969 on 117 field plays. The team was well represented on the all-conference team as Mike Curtis, Nathan Long, Rick Van Houten, and Kevin Clark received all-league honors. Mike Ohler and Artie Miller received honorable mention. With only two seniors graduating from this year's championship team, the Indians will field a good team next year.

The annual homecoming week activities were organized by the cheerleaders. The girls put up spirit signs in cafeteria, decorated the hallways, and sponsored special days such as: Punk Rock Day and Hat Day to increase school spirit. Classes and clubs were encouraged to enter the homecoming float contest. On Thursday evening the homecoming parade and bonfire brought a large number of students parents to the pep rally. Cold weather greeted football fans on Friday night. In pregame ceremonies the Homecoming Queen and her court were introduced and the senior class was selected as winner of the float contest. The Marching Band and Flag Corp put on a stirring half-time show. The week would have been a total success, except the Fred-dies went home with a 27-0 victory over the Indians.

Theater Department Presents Plaza Suite

Neil Simon's "Plaza Suite" was presented by the theater department on November 12, 13, and 14 in the Junior High Auditorium. In the first of three separate plays we are introduced to a suburban couple who take a suite as the Plaza while their house is being painted, and it turns out to be the same suite in which they honeymooned 23 (or was it 24?) years ago — and was yesterday their anniversary, or is it today? The uncertainty of these questions parallel events in their unstable marriage, when we find out Sam is having an affair with his secretary. The second act shows us a top-drawer Hollywood producer who after three marriages is looking for fresh fields, and so calls up a childhood sweetheart now a suburban housewife, for a little extra-marital diversion. In the intervening years she has idolized him from afar, and is now more than the match he has bargained for. The last act shows us the same suite, with a mother and father fighting among themselves over the best way to get their daughter out of the bathroom and down to the ballroom where guests await her — or as her mother yells, "I want you to come out of that bathroom and get married!"

In an attempt to keep Sam from going to see his secretary, Karen gives him a seductive look from the bed

112 Receive Diplomas At Commencement

State Senator John Kasich delivers the baccalaureate address

Mount Gilead High School's graduation exercises were held on Sunday, May 30th under threatening skies. 112 graduates received their diplomas during the ceremony. Commencement exercises began with class president Cindy McKinney leading the audience in the Pledge of Allegiance and with Evangelist Ron Davis giving the invocation. The baccalaureate address was given by State Senator John Kasich. Class addresses were given by Valedictorian Brenda Conant and Salutatorian Rod Thill. Presentation of diplomas was made by Richard Myers, president of the Board of Education. The high school choir and concert band provided music for the ceremony.

Valedictorian Brenda Conant's address is entitled "To Dream, Discover, and Succeed"

Patty Wilson receives her diploma as class mates wait their turn

"I've Graduated! Now What?" is the title of Salutatorian Rod Thill's speech

Strong winds forced most graduates to hold on to their caps instead of tossing them into the air. At least one cap is gone with the wind

1982 Jr.-Sr. Prom Is "This One's for You"

The Junior Class chose the theme "This One's For You" for the Junior-Senior Prom held on May 15, 1982. The formal prom was held at Inskeep Oldsmobile in Marion. The program began with the welcome by Junior Class President Rod Randall. Class wills were read by Teri Brake and Lisa Varner. The program was concluded with Kristy Philbrook and Lori Thomas reading of the prophecies, and with Brenda Holtrey reading a poem dedicated to the seniors. After the program prom goers danced until midnight to the music of DJ Tom Danner. The after prom activities consisted of a movie "Happy Birthday To Me" at Southland Cinema and roller skating at the Family Forum Skating Rink.

Kristy Philbrook and Lori Thomas read senior class prophecies.

Class president Rod Randall welcomes everyone to the Prom.

Prom goers enjoy one of the many dances.

Mrs. Beck shows Roger how to dance.
